SERC is located in the Somerset Wildlife Trust's headquarters at 34 Wellington Road, Taunton TA1 5AW.

### LOCATION MAP

#### By Car from the South:

Leave the M5 at junction 26 following the signs for Taunton. At the Chelston roundabout, use fourth exit [right] to Taunton. Travel about 5 miles to the edge of Taunton where the speed limit changes to 40mph. Proceed down the hill passing the crematorium on the right towards Silk Mills Roundabout at the bottom. Straight across and straight through traffic lights at the hospital turning. After the cemetery on both sides pass Somerset College on the left and SWT Office is immediately before the next lights on the left adjacent to Tesco.

#### By Car from the North and East:

From M5 junction 25 head west towards Taunton on A358, cross the roundabout and at the major traffic lights proceed straight across along Toneway [40mph] keeping in the left lane turn left using the filter lane at the next roundabout on the A38, East Reach. At the lights at the top of the slope bear left in the left lane curving to the right around Sainsbury's. Continue on through the next lights past the Council and Courts on the right and Police Stn on the left. Continue up the hill bearing right down Compass Hill. Straight across at the lights. The right lane for Tesco and beyond. Using the left lane cross the lights and turn immediately right to SWT Office. There is a Keep Clear area to allow for access.

Please note there is very limited car parking available and we suggest you use one of the nearby public car parks or the Park and Ride facilities.
