SERC Data Search Fee Structure – effective from 1st September 2016

SERC's standard data search of a 1km search around a central grid reference will incur a fee of £104.00 + VAT. The search will include:-

- Designated and Non Statutory sites
- Species – legally protected, County Notable, biodiversity species (local and national) and Red Data Book.

Refer to table below for our current fees. All prices shown are exclusive of VAT.

For further information regarding search options, please refer to SERC Data Search Guidelines.
