

SERC Data Search Fee Structure – effective from 1st April 2019

The table below sets out our current fees, with all prices shown **exclusive of VAT**. A standard data search up to 2 km radius around a central grid reference will incur a fee of £110.00 + VAT. The search will include all designated sites and a standard species search.

For further information regarding search options, please refer to [SERC Data Search Guidelines](#) available on our website.

TYPE	SEARCH	MIN (KM)	MAX (KM)	FEE
Sites	All designated sites	0.1	2	£55.00
		2.1	5	£66.00
